MOCK ME NO MOCKS

Give up your tired, your hungry, your poor.
Fight wars in the Middle East,
Make bombs, and argue
who would have been the better President.
Disclaim the Atlanta Braves, if you can do better.
Ostracize the unfortunate, be proud of the republic.
Tell me how to wear my hair,
Who to date, what will make me popular.
Give me lectures on drugs, prove that they're bad.
Make me read Hemingway,
tell me why he wrote, and what he meant.
Remind me that the car payment is due this month.
Give me projects to do on week-ends.
Argue in Congress, hold up the future.
Lecture me. Tell me what you want to.
Tell me tomorrow, and I will listen.
Today I'm taking a day off from Society
to see the magic wonder in life.

Would you like to come, too?

WHY?

There is a mood for everything.
The pensive expression,
the disgusted fist cannot overshadow
the you and me part of living.
Instead of trying to catch up with
yourself,
wait.

All your moods are magic,
even if they're special only to you.

Because they are yours.

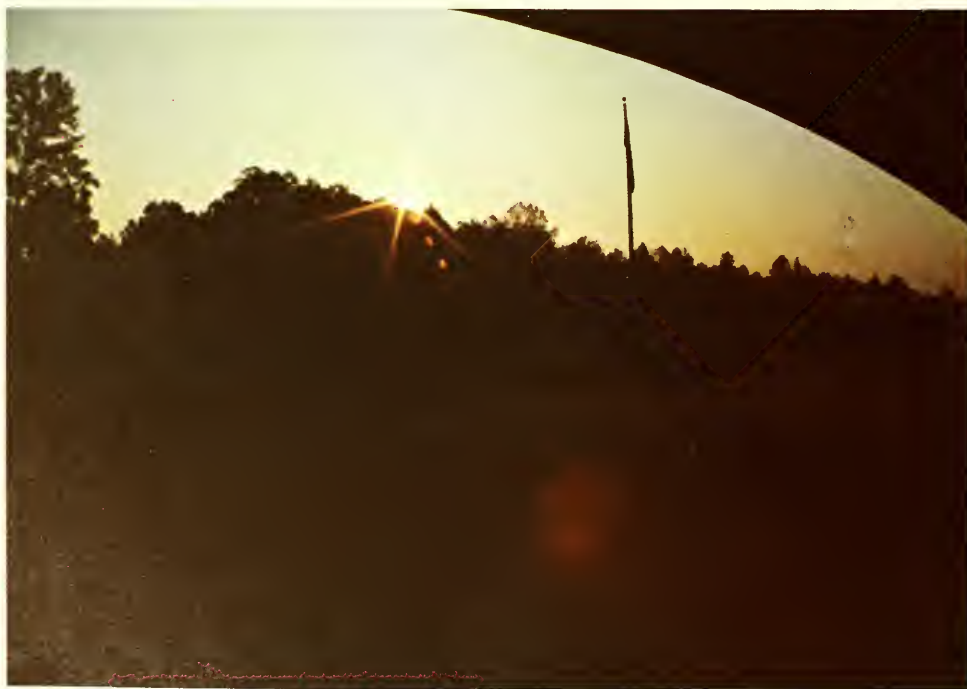

You ride to seek.
 It does not matter if you care.
 I don't.
 Many don't know what they're looking for.
 Some don't know that they're looking.
 I'm not going to let anybody dictate my life.
 Don't let those teachers and college professors fool you —
 you don't have to do nothing but die.
 Life is one big shaft and you're in the middle.
 And though I may seem blind,
 rest assured, I will find you.
 Love is magic discovery.
 Wait for me.

1974 DEDICATION COACH ROBERT NOWELL

A teacher, coach, and a friend, he has gained the respect of the faculty, as well as the students. His incomparable feats with the Baseball, Gymnastics, and Football teams has given Sequoyah much recognition and pride. He listens like a father and speaks out with authority and has done this since Sequoyah came into existence ten years ago. No one has worked harder, and no one deserves this honor more. In appreciation for such a strong, and successful man to guide us at Sequoyah the Senior Class of 1974 dedicates the decade edition of the PHOENIX to COACH ROBERT NOWELL.

GIRL'S GYMNASTICS CHAMPIONSHIP MEET

After nine months
of sometimes painful moments,
we feel with a magic touch.
I reach out to touch now
because I feel happy.
Everything we've experienced
is uncovered in our touch.
I'll try to keep my touch always —
it feels like love.
Just like a mother's touch
after nine months.

Magic Moments

All moments end,
but today I feel like making
all my moments last.
I'm making this day magic.
It's my day, will you share it with me?
If everybody shared their special days,
or even acknowledged them,
maybe more days would be special,
maybe more days could be ours.
Maybe they would last.

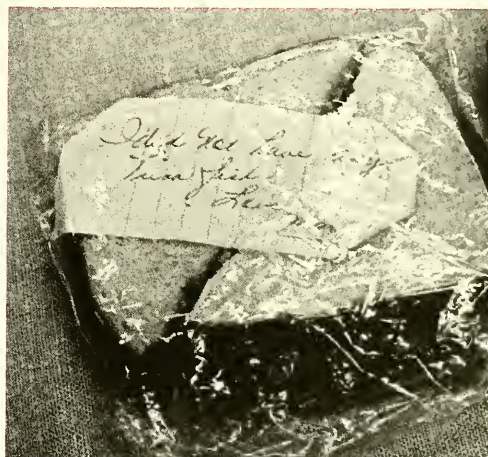

Feeling
is
a
magic
experience.

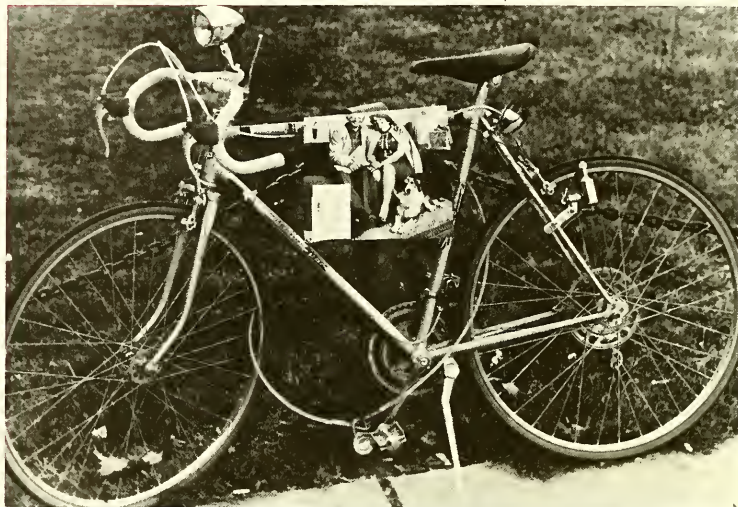

NOW
we are
Walking Tall
in platform shoes.

NOW
McDonald's
serves more
hamburgers.

NOW
the purpose of a
gas station on
Sunday is to
pump up bike tires.

10 years ago as NOW,
people laughed
people cried
children smiled
children frowned
people loved, people hated
people believed,
(as they still do)
in MAGIC.

SEQUOYAH!

You are now holding in your hands the 1974 PHOENIX. There are only 1,200 of these in existence and you are the owner of one. Lucky you!

It took 863 hours of labor, 647 miles of travel, and 10,991 dollars to bring this book to you. We have tried to show all the emotions and feelings of this past year.

So friends, here it is. All 276 pages, filled with Magic Moments. What is left for us to say? The rest is left to you. Take it, look at it, smile, laugh, maybe even cry a little. But we sincerely hope you have as much fun looking at this book as we have had putting it together.

You would not be looking through your PHOENIX if it were not for the people who follow. Taking a few lines to recognize them is but a small gesture of thanks for the many hours of dedication each of them put in to bring this book to you.

First, we must thank the staff. Although this is one of the youngest staffs the school ever had, it was one of the smartest. Each of them knew what and how things needed to be done.

Our sponsor, Mrs. Entrekin, has been with the book for four years and with her came financial security for the PHOENIX. Mrs. Entrekin is not only an advisor, but an understanding friend ready to share our successes as well as our problems.

Our publishing company representative this year was Mr. Bill Wolfe. His encouragement, together with his knowledge of yearbooks, makes him the best in his business. His unending help throughout the year has been greatly appreciated.

Others that helped in production of the PHOENIX were:
